INTERNATIONAL RESOURCE HUB

The Assurant.com website has kicked-off its global expansion. Over the next few months, we will be launching country-specific sites by region - APAC, EUROPE, and LATAM. Our goal is to sunset all AS.com sites by end of the year.

Assurant supports some of the world's most recognizable brands, helping them solve their business challenges. We find solutions for the challenges that face everyday people, too. Major challenges like a flooded house, expensive car repairs or unexpected funeral expenses. And smaller inconveniences like a broken phone, misplaced mobile device or malfunctioning appliance.

B

OUR IMPACT
We help our clients keep life running smoothly for 300 million people around the world.

We protect and insure the places people live and the things they love. But we never forget what matters most. It's the businesses and the people around the world that depend on Assurant to keep the moving forward.

More about our impact on the markets, consumers & clients we serve.

Facts and Numbers

(Fig A)

Overview

The Facts and Numbers component is a list widget that can be dragged and dropped into A.com pages. Its items can be edited from the Sitefinity dashboard (see Fig B in sidebar) and which items it selects can be edited within pages (see Fig C in sidebar).

Content type: List

Template:

Editing items in the Facts and Numbers list

To edit items, select "Content" and then "Facts and Numbers" from the Sitefinity Dashboard navigation, and then select the item(s) you wish to edit.

- TITLE
- Vehicle Service Contracts Published
- Travel assistance Published
- Lifestyle assistance & financial services Published
- Pre-funded funeral insurance & planning Published
- Vehicle protection programs Published
- Connected device protection & support Published
- Home & garden. tools, jewelry & furniture protection

(Fig B)

Choosing which items to display in the Facts and Numbers list

To choose which items are displayed, select "edit" and then "selected facts and numbers," and then "change."

(Fig C)
